**DETAILED ACTION**

1. Claims 1, 3, 4, 6, 7, 10-17, 20-23, 26-33, 44 and 45 are pending in the instant application. Claims 7, 12, 20-23, 28, 29 and 31 remain withdrawn from further consideration.

***Response to Amendment***

2. The amendments to the claims filed on October 14, 2008 have been fully considered. The 35 USC 112 1<sup>st</sup> paragraph rejections have been overcome and are thus hereby withdrawn. the 35 USC 102 rejection is maintained and hereby made FINAL. See response to Applicant's remarks below, Section 4.
3. The objections to claims 1, 3, 4, 6, 10, 11, 13-17, 26, 27, 30, 32, 33, 44 and 45 are maintained. The scope of examined subject matter is that previously denoted (office action dated May 14, 2008). Claimed compounds that fall outside of this scope have been withdrawn and are thus considered non-elected subject matter. Applicant will be entitled to rejoinder of the non-elected species upon allowability of the generic claims.
4. Applicant's remarks regarding 25 USC 112 support of the instantly claimed genus on the disclosure of 60/490,855 has been noted, however, it is not persuasive. The instantly claimed genus is broader than that of 60/490,855 - for example, see definition for Q. Thus, the prior art document antedates the instant priority. For this reason, the 35 USC 102 rejection is maintained.

***Conclusion***

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
